

Terlingua TX Championship Chili Mix

The chili mix hit the shelves on HEB locations across Texas in Fall 2017. Several times a year HEB will advertise the mix in their Primo Pic program. CASI is extremely proud to be partnered with HEB and Bolner's Fiesta and as always, stock up on our favorite chili mix.

Cell Phone Tower

The cell tower on the corner of Rancho CASI de los Chisos generates an annual payment each year to the organization.

The payment is earmarked for needed improvements at the Ranch and is essential in the budget to provide needed funds for these improvements and maintenance.
