

The ‘*Cookin’ for CASI*’ program is offered as a cookoff designated to help raise funds for the CASI organization. When a cookoff is designated as ‘*Cookin’ for CASI*’, the funds raised benefit our organization 100% and donations are slated for the General Fund. As an organization that is purely donation driven, the proceeds from these designated cookoffs help the organization continue the day to day operations that we must have to succeed on educating the public in what we do and who we are.

When you designate your cookoff as a “*Cookin’ for CASI*’ event, the cookoff is not included in your state point totals for required number of points. When scheduling future cookoffs, consider designating an event a ‘*Cookin’ for CASI*’ cookoff.
